

BRUNO ELAN STAIRLIFTS

THE NEW BENCHMARK FOR STYLE, PERFORMANCE, & AFFORDABILITY

The Bruno Elan Straight Rail Stair Lift is one of the finest home accessibility solutions available for safely reaching multiple floors in your home. Enjoy safety, exceptional value, convenience, a smooth and comfortable ride, a powerful drive system, battery-powered technology, and so much more.

VALUE & PEACE OF MIND

- Luxury features at an affordable price.
- Bruno stair lift Gold Warranty: lifetime major components; two-year parts.

SAFETY

- Easy-to-use retractable seat belt
- A continuous charge means the chair is charging anywhere on the staircase
- The convenient offset swivel seat feature provides a safe, comfortable exit at the top of the rail
- Optional folding rail frees lower landing area from potential obstructions
- Battery-powered ensures performance even in power outage
- Safety sensors stop the unit whenever an obstruction is encountered
- Safely transports riders up to 300 lbs. (136 kg)

SLEEK EFFICIENCY

- Smooth & quiet ride due to rack-and-pinion drive system
- Attractive rail that installs within 5 inches (127 mm) of the wall
- Seat, armrests & footrests all fold up into a compact unit
- Flip-up folding rail option prevents the rail from blocking hallways or doorways at the bottom of the steps
- Two wireless calls/sends allow remote control access

101 Mobility is a leader in providing a full range of accessibility solutions in your local market. Our local, professional stair lift specialists will meet with you at your home to evaluate the appropriate stair lift solution and provide you with a custom quote, including installation.
